Amongst the projects financed by the European Commission in Afghanistan, we would be interested to know more and clear details about the complementary project DDH/2006/121-745-complémentaire au contract de Mme Bonino co en afghanistan dec. 1.

For this project we would like the Commission to provide:

1. the original documents of the main contract;
2. other relevant documents;
3. the list of consultants;
4. the impact evaluation;
5. the results;
6. the total expenditure;
7. the final report.
